

## Route description PAX - Sint Jacobsstraat

The office of peace movement PAX is located in downtown Utrecht. It is a ten-minute walk from Utrecht Central Station.

### BY TRAIN

#### *Walking*

Walk towards the city center from the Utrecht Central Station and take the Vredenburg exit. Take a left on Vredenburgplein and towards the intersection with traffic lights, passing fashion store Zara. You cross straight over to Sint Jacobsstraat (with Decathlon on the left corner and Bijenkorf on the right corner). Walk past Combo Design Interiors and right after that you will find the entrance to number 12.

### BY BUS

From the city bus station (Jaarbeurs side of Utrecht Central Station) you can take any of the following city busses to Sint Jacobsstraat:

- 1 Vechtsebanen via Overvecht NS
- 3 Overvecht
- 4 Zuilen via Schaakwijk
- 5 Maarssen via Zuilen
- 6 Overvecht Zuid

The Sint Jacobsstraat bus stop is located near Bever Outdoor & Travel store. From the bus stop, the PAX office is across the street, above Combo design Interiors and with the entrance to its right.

### BY CAR

Follow the signs Utrecht Centrum and then follow the signs towards parking garage Bijenkorf. If you drive from the Weerdsingel side over the bridge into Sint Jacobsstraat, just after the next intersection (the entrance to the parking garage is on the left) you will see Citysense on the right, on the facade of the building where the PAX office is located. The entrance to the office is in the corner of the building.

You park nearby or in parking garage Bijenkorf. From the parking garage, the PAX office is across the street, above Combo Design Interiors and with the entrance to its right.

(Due to the traffic measures for a car-free city center, we recommend entering Utrecht from the side of the A2 motorway).

### RECEPTION AND ADDRESS

Inside the building with number 12 you go by elevator or stairs to the 2nd floor. Here you ring the bell and you will be reception.
